Cruise Description

This amazing journey begins in Seattle as we board Norwegian Cruise's *Jewel* and set sail for Ketchikan, ancestral home of the Tlingit tribe and home of the world's largest collection of totem poles. On the way there, we will cruise to one of the world's most famously beautiful passages, the Inside Passage, which contains virtually everything that you might want to see in Alaska: rain forests, glaciers, fjords, wildlife, and white-capped peaks. During this time at sea, our group will be admiring the beautiful scenery as well as taking part in Cayce-oriented workshops from our tour leader, Kevin J. Todeschi. With him, we will enjoy morning meditations, explore our dreams and develop our intuition. From Ketchikan, head to Juneau, the state's capital. Next we cruise the phenomenal Sawyer Glacier famous for its stunning beauty. Enjoy more workshops with your tour leader as you cruise on to Skagway, where the frontier spirit of exploration is destined to overtake you. Victoria, British Columbia, Canada, is the next stop, home to a rich diversity of cultures. We will explore some of Victoria's British imports when we visit the famous Empress Hotel and stroll the spectacular Butchart Gardens. From there, we return to Seattle to conclude our wonderful journey together.
