

Leader in Holistic Education, Wellness & Healthcare

The Cayce/Reilly® School of Massotherapy Presents

Quantum Touch® , Basic

Quantum-Touch is a powerful, yet easy-to-learn, energy healing modality. Quantum-Touch teaches us how to focus and amplify life-force energy (known as “chi” in Chinese and “prana” in Sanskrit) by combining various breathing and body awareness exercises.

Quantum-Touch uses resonance and entrainment to facilitate healing. You'll learn to raise your vibration and create a high level of energy. When that energy field is placed around an area of pain, stress, inflammation, or disease, that part of the body will entrain to the higher frequency and allow one's own biological intelligence to do whatever healing it deems necessary.

Date: January 21 - 22, 2012

When: Saturday and Sunday
9:00 am – 5:00 pm

Continuing Education Hours: 14

Approved for CE Hours:
NCBTMB & Florida
