

What is the A.R.E.?

The Association for Research and Enlightenment, Inc. was founded in 1931 (making it 78 years of service) to research and make available information on ESP, dreams, holistic health, meditation, and life after death. Thousands of visitors from around the world come to the Headquarters in Virginia Beach, Virginia, to attend conferences and lectures.

Edgar Cayce, (1877-1945) often referred to as the “*Father of Holistic Medicine*”, is one of the world’s most documented psychics of all times and was the moving force behind the establishment of the A.R.E. For forty-three years of his adult life, while in a self-induced sleep, Edgar Cayce demonstrated his uncanny ability to obtain valuable information to virtually any question imaginable. His secretary recorded his responses, and these case studies are the foundation of the Edgar Cayce library. It is one of the most extensive metaphysical libraries in the world with thousands of his readings. These readings include topics on medita-tion, dreams, reincarnation, prophecy, health maintenance, and the treatment of illness.

Ultimately, the underlying principle of the readings is the oneness of all life, tolerance for all people, and a compassion and under-standing for every major religion in the world. About the Retreat

June 12-14, 2009

Location ~ This year's retreat will again be held on the rolling, 323 acre, tree-lined campus of Shepherd University in historic Shepherdstown, situated in northeastern West Virginia on the banks of the Potomac River. For those with web access, www.shepherd.edu is the place to start for all sorts of facts, maps, directions, and other information about the university and surrounding areas.

Check-in ~ Friday from 4-6:30 p.m. and **after** the evening (7-9 p.m.) program. The retreat concludes Sunday at noon.

Lodging ~ All rooms are air-conditioned, dormitory-style, 2 long-twin beds to a room and a shared hall bath. The residence hall has 3 floors and **no** elevator. First floor rooms are limited. If you need a room on the first floor for health reasons, please register early. The university provides linens and towels. However, you must bring your own pillows and blankets. For those who might consider residence hall living a bit too "rustic", close-by commercial lodging is available in town. The university website has links to several facilities.

Meals ~ A sandwich buffet will be available to **all** during Friday check-in. There will be 3 meals served on Saturday (breakfast, lunch and dinner) and breakfast only on Sunday. An optional Sunday lunch will be available for an additional charge of \$8, payable with registration.

Cost (per person) ~ A.R.E. members deduct \$10 per member

- Program, meals, and lodging:
2/room \$215 ~ 1/room \$235

About the Speaker

John Van Auken

John Van Auken is an international speaker and author of numerous books including *Edgar Cayce's Atlantis, Jesus: His Hidden Teachings Revealed, The End Times: Prophecies of Coming Change, and Secrets of the Ancient World*. He has appeared on radio and television shows and has led tours to sacred sites around the world. He is a director of the A.R.E. and writes the "Ancient Mysteries" newsletter. His extensive knowledge of the Edgar Cayce readings, the Bible, ancient civilizations, and world religions is combined with years of practical application of these truths in his own life. His exciting presentations are packed with useful information combined with insightful, entertaining, and revealing stories. He is popular with audiences for always providing something valuable and practical for daily life.

John Van Auken will present an in-depth look at what has been predicted for our times and why change must occur. Despite the magnitude of some of these changes, John presents a positive approach, following in the spirit of Jesus' analogy that the changes are the "birth pains" natural to delivering a new age of enlightenment, brotherhood, sisterhood, closer harmony with Nature, and a more cosmic consciousness of the Universal Forces.
