YOUR OPPORTUNITY TO SERVE

The A.R.E. needs volunteers with good computer/clerical skills to help out in various departments. These positions require attention to detail and dependability.

Please call Sherry at ext 7368 if you are interested in this opportunity.

A.R.E. frequently has "special events" when volunteers are needed for the day or perhaps the week. Some examples are Congress, events where we go out to the public and have booths to hand out information and occasionally we have large groups of visitors who come and need people to greet them and make them feel at home. Please call me if you are interested in being on this on call list.

Day Spa Volunteers

Volunteers at the Spa would help with linens, paperwork, preparing castor oil packs, checking oils and a myriad of other duties, plus just being in that healing atmosphere. Please call Sherry at ext 7368 if you have an interest in this position. Volunteers especially needed for Friday, Saturday and Sunday.

Visitor Center Lobby

Are you interested in volunteering at the Visitor's Center reception desk? It is a wonderful way to meet new people and play an important role in welcoming newcomers and others to the A.R.E. We are looking for *vivacious, friendly, outgoing "people-people"* who also have a working knowledge of Edgar Cayce and the readings. Please contact Sherry at ext 7368. Orientation and training will be provided.
