INTUITION TRAINING

The Quest for Intuitive Knowledge

with Popular Psychic Trainer and Lecturer
Mary Roach, MA

"Through thine undertakings, through thine experiences ye have been and are endowed with an intuition that becomes what ye term psychic force in thy abilities, in thy powers."

Edgar Cayce reading 1440-2

According to the Edgar Cayce material, psychic ability is a natural component of soul growth—one that is enhanced through empathy and our connection with one another and our soul self. This program is designed to give you hands-on experience perceiving your innate intuitive talents, exploring how you are truly more than a physical body.

During this popular workshop you will:

- Understand your **unique soul patterns** and your personal life's purpose
- Tap into your inner wisdom and discern the difference between the **soul's voice** and the ego's voice
- Examine the process of spiritual development using intuition as a **God-given birthright**
- You will receive coaching that will enable you to **do a reading** for another person AND you will "tune in" to insights for your own life path

With practice and by focusing your awareness you can recognize aspects of your **true soul self** in everyday life. Your intuition is like a muscle: it grows stronger when you use it in a steady, healthy way. Not only will you be able to implement techniques that will enable you to give a reading to another person, but you will **access your Higher Self** and soul consciousness to discover guidance and personal wisdom for your spiritual journey.

The more you use your intuition, the more confident you will become and the clearer your insights will be.

This is a program you won't want to miss!
