

TRUST YOUR INTUITION:

Boosting Your Psychic Development with Empathic Tools To Awaken Your Sixth Sense

A Special Soul Growth Saturday Program!

This is a Psychic Development Workshop for Empaths and Everyone—Sharing Tools for Nurturing and Expanding Your Innate Intuitive Abilities!

One sign that you are gifted with psychic or intuitive abilities is the sensitivity and awareness of the thoughts, feelings, and emotions of others—a response indicating *empathic* ability. This special program will help YOU channel that intuitive empathy as a tool for expressing and nurturing your innate psychic self for healing, insight, and guidance.

Linking Cayce's psychic insights with energy work, protection and grounding, and working with your inner vibration, you will learn new ways to gain access to the wisdom of your Higher Self and use that wisdom to move forward in life with confidence and inner peace.

Put Your Intuition Into Action!

You will explore a variety of practical and useful techniques such as:

- Special guided meditations for evaluating your strengths; for grounding, clearing, and protection; and for improving mindfulness
- Exercises for tuning your intuition and testing your psychometry skills
- Ways to connect with your Higher Self and your Guides, yourself, and others
- Methods to evaluate your progress and success on your spiritual path
- Finding out which is your strongest "clair"
- Creating a "heart link" to your intuition for psychic readings

Whether you consider yourself an empath or \$79 A.R.E. Members/\$99 General.
