

The Psychic's Guide to Awakening Your Natural Intuitive Abilities

Our Annual Psychic Development Training

By learning to listen to and trust your own inner voice, you can use the wisdom of your highest self for overcoming any of life's challenges!

This psychic training course will give you the tools you need to awaken and apply your innate psychic abilities and provide guidance to put those insights into action!

FREE YOUR INTUITION AND AWAKEN THE DIVINE FORCE WITHIN!

We've all heard the phrases "listen to your gut" and "trust your instincts." How many of us really do? This is intuition in action. Edgar Cayce called intuition an **innate talent of the soul**—a guiding voice as well as a natural and important part of who we are. By increasing our sensitivity to our sixth sense and raising our level of consciousness, we can grow to achieve the spiritual enlightenment we so ardently seek. But it's not enough to just improve your psychic ability—you must use it as part of your daily life and truly **experience** your psychic ability. By mastering your intuition and channeling it for daily insight and guidance, you can live life confident in your path and assured that your decisions and choices are in your best spiritual interest.

Discover how using your intuition can become a natural part of your daily life.

In this experiential workshop, you will practice what you've learned in a supportive environment and:

- ◆ Explore what intuition is, where it's located, what it sounds like, and **how to cultivate it**.
- ◆ Recognize your **natural strengths** for using intuition every day, using powerful techniques in "hands-on" applications.

◆ Differentiate the information you receive from your higher self from that which comes from the ego or imagination.

◆ Use your intuition for problem solving, healing, and to uncover your soul patterns, talents, and life purpose.

◆ Learn to awaken and apply your **intuitive mediumship** abilities and experience mediumship in action with random readings for the audience.

◆ Understand and trust the nature and wisdom of your soul.

◆ Use intuition to tap into the abundance of the Universe to create and live the **life you desire**.

You'll also learn ways to screen out unwanted influences so you can receive clear, accurate psychic information that you can trust—and have the chance for a **random psychic reading!** With warmth, humor, and down-to-earth guidance, our intuitive trainers and mediums will help you energize and embrace your Divine gifts!

The more you use your intuition, the clearer your insights will become.
