Bringing Enlightenment to Your Neighborhood
An A.R.E. Event
EDGAR CAYCE ON THE UNSEEN WORLDS
Past Lives, Future Lives, and the Afterlife
WITH GREGG UNTERBERGER MED, LPC

EDGAR CAYCE subjugated his conscious mind to Higher Consciousness to access the Akashic Records, see visions of the past and future, and even travel in the celestial realms. Most of us stand in awe of Cayce, but Edgar himself said that we could all do what he did, if only we knew how.

Are you ready to . . .

. . . travel safely to the Other Side and see loved ones who have passed?

. . . journey backwards to your past lives to understand life patterns and learn the identities of current friends and lovers in other incarnations?

. . . voyage to the Spirit World—the realm of life between lives—to explore celestial kingdoms, meet your spirit guides and masters, and discover your life’s purpose?

During this ground-breaking new program, you will hear the cutting-edge research that is changing what we believe about the afterlife:

♦ Discover what you don’t know about the near-death experience
♦ Hear the astonishing new research about near-death journeys to “heaven and hell,” their after-effects, and what Cayce had to say about it
♦ Learn how the experience of “crossing over” is so much more than going down a tunnel to a white light on the Other Side
♦ Understand what really happens on the Other Side, from the common threads of both near-death experiencers and people regressed into the Spirit World, which gives us a clearer picture—a “map of heaven”—of life in the unseen worlds

Join Gregg as he brings clarity and humor to complex spiritual truths with mind-expanding graphics, evocative music, and exciting exercises to help you understand your relationship with the Divine through direct experience. Don’t miss this unique adventure in inner awakening and self-discovery!

“There are three things I noticed about Gregg. This man has a great passion for God, he truly is in love with the Divine . . . The second thing I noticed about Gregg is he loves human beings. He is a person I would trust with anything that was going on in my life. The third thing I noticed about Gregg is he is one smart dude: a deeply wise man, a humble man, and a brilliant man.”

Andrew Harvey, Global Mystic, Author of The Hope
Founder and Director of the Institute for Sacred Activism

Past attendees say:

“Gregg’s information on afterlife and reincarnation was superb!”
“He has a great sense of humor, keeps me engaged. I would love to see him again. He covered a lot.”
“I especially liked Gregg’s style of speaking and his stories about helping others.”
