Learn a New Healing Modality Based on the Edgar Cayce Readings!

Author Shelley Kaehr, PhD, who has worked with vibrational energy medicine for two decades as well as studying Edgar Cayce’s readings on the topic, delves into the wealth of information given and brings you Edgar Cayce’s Egyptian Energy Healing. This revolutionary new system of healing found in the Edgar Cayce Life Readings incorporates energy work, vibrations, gemstones, prayer, affirmations, and even the etheric body. It is a complete set of methods designed to help facilitate integration of body-mind-spirit for total mental, physical, and emotional wellness. Students will discover several healing symbols mentioned by Cayce and learn how to use them to bring balance to body, mind, and spirit.

In any form of healing, the goal is to change your current frequency—your vibration—into one that is more balanced and aligned for optimal results. Shelley shows us that working with our consciousness to overcome our life lessons and challenges can help us achieve lasting happiness and peace throughout our lives, and that this is something that is actually achievable using these powerful yet practical techniques.

Enriching yet simple, step-by-step information is given to us as tools we can use to apply this ancient knowledge to our everyday modern lives. In this uniquely insightful, experiential, and fun workshop, you will explore:

- The fundamentals of energy healing—what it is, how it works, and how we can understand and apply it for optimal spiritual and physical health
- How intention, prayer, affirmations, and even working with our guides and angels can help us
- Simple effective exercises for raising the body’s vibrational energy
- Ways to work with the chakra system, colors, stones, sound, oils, and other tools to focus and expand our body’s energy system
- How to create a healing session using techniques from the ancient temple formulas of Ra Taa—an early incarnation of Edgar Cayce
- Working with healing tools and symbols to accelerate the process within yourself—and for helping others
- Receive an attunement into the new ECEEH modality and learn the technique so by the end of the day, you can incorporate the method into your own healing practice

There is no aspect of your life that Egyptian Energy Healing can’t help!
