No matter where you are in life, this program will help you create a more meaningful, more prosperous, more fulfilling future!
NEW MIND SHIFTING PROGRAM
A full-day workshop dedicated to helping you create a more fulfilling future.

MIND IS THE BUILDER
Creating the Life You Want
Using Wisdom from Edgar Cayce
with Patrick Belisle

The thoughts you think and the actions you take today are creating your tomorrow. What kind of future do YOU want to create for yourself?

The Edgar Cayce readings tell us we are co-creators with God and that our “Mind is the Builder.” The readings also give us guidance and tools to put those ideas into practice.

In this fun, interactive, and transformative workshop, we will use principles from Universal Laws and the “Cayce Creation Process” to empower you to create the life you want in every aspect: your relationships, your livelihood, your finances, your spiritual and physical health, and more.

Known for his practical insights, uplifting stories, and real-world experience, popular presenter and A.R.E.’s Director of Philanthropy Patrick Belisle will help you:

• Determine your spiritual ideal—something Cayce said is THE most important thing we can do in our lifetime—with special exercises including an art project to visually represent your ideal in the form of a mandala
• Experience a Cayce-based meditation attuning to your ideal plus a unique guided visualization of your future, “ideal-driven” life
• Discover where your energy comes from and remove blockages that prevent you from letting your ultimate energy flow into your life
• Learn to ask for what you want from life—and learn to gracefully accept what you receive
• Create a plan to take your first steps toward the life you really want

“For the mind is the builder, and as the soul thinketh so it is.”
Edgar Cayce reading 261-27

This workshop will give you real-life tools to manifest your ideal future, starting today. Whether you are at a crossroads in life, or are feeling “stuck” on your spiritual path, or just need to recharge your spiritual batteries, this one-day workshop will set you on a clarified path with an invigorated sense of purpose and mission as you manifest your own positive future.

What is Mind? It is Spirit, Will, and Imagination. And your spiritual ideal is your lifelong compass, giving direction to every area of your life.

Past attendees say:
“Pat did a fantastic job delivering the Cayce concepts. After 50 years I finally understand the Ideal!”
