A.R.E./Glad Helpers' International Prayer List

Dear Prayer Healing Friends,

This is the last installment from a talk given by Edgar Cayce at the Cayce Hospital on February 1, 1931—*Mind as Related to Healing*. Next month, we will start another selection of his rarely recorded talks—*What is Soul Power?*

Thank you for your dedication to this Work knowing that "(Those) that would know the way must be off in prayer, joyous prayer." (281-12) The Glad Helpers appreciate you being an integral part of this joyful service!

In Love and Light,

Karen Boldt

MIND AS RELATED TO HEALING (Talk given at Cayce Hospital on February 1, 1931)

If we are willing to pay the price in effort and meditation and prayer, our mind is able to build within ourself whatever is necessary to bring about healing and an understanding of our relationship to our God. Now if our God is fame, fortune, or pleasure, we can't expect that God to heal! Many people are of the opinion that we can buy almost anything we want; but health is one thing that's mighty hard to buy. Unless we can gain a consciousness of the divine within us, very little help

can come to us.

Some years ago I had this experience, which came very close to home. An accident happened, and my wife and I didn't feel it was possible for any aid to come to our little son, who was suffering because of an explosion of flash-light powder in his face. The physician told us nothing could possibly be done. Yet when he told us that the child would never see any more, and that his eyes must be taken out if he could even live,

AS HELP IS RECEIVED, REMEMBER TO THANK GOD, THE GIVER OF ALL GOOD AND PERFECT GIFTS.

The Edgar Cayce readings emphasize the importance that those who are seeking help and healing through prayer actively participate in the prayer effort—praying for themselves and others on the list—creating a cooperative prayer effort. In the giving comes the receiving.

May 2021 Affirmation

“ . . . Fill my life, my mind, my body, with the love of service to others . . . ” Edgar Cayce reading 281-35

Cont. from page 1

the child himself said: “No, ‘cause my daddy when he’s asleep is the best doctor in the world, and daddy will tell you what to do and you will do it, won’t you?”

The physician promised that he would follow what the reading said; in fact, he did so, and the boy was healed. Did I do anything? Did the doctor do anything? You ask any physician who saw this happen and they will all tell you just as they did me, “It was just a miracle.”

Mind is the builder, the healer,—that is mind at work; not passive, but active with the forces God has given man to make himself one with the Law of God, which makes him free. “And ye shall know the truth and the truth shall make you free.”
