*FREE YOUR INTUITION AND AWAKEN YOUR SOUL'S
 VOICE FROM WITHIN!* ★

We've all heard the phrases "listen to your gut" and
 "trust your instincts." How many of us really do? This
 is intuition in action. Edgar Cayce called intuition
 an innate talent of the soul—a guiding voice as well
 as a natural and important part of who we are. By in-
 creasing our sensitivity to our sixth sense and raising
 our level of consciousness, we can grow to achieve
 the spiritual enlightenment we so ardently seek. But
 it's not enough to just improve your psychic ability—
 you must use it as part of your daily life and truly ex-
 perience your psychic ability. By mastering your intu-
 ition and channeling it for daily insight and guidance,
 you can live life confident in your path and assured
 that your decisions and choices are in your best
 spiritual interest. ★

In this experiential workshop, you won't just listen
 and learn, you'll see and do!

- ◆ Recognize your natural strengths for using intuition every day, using powerful techniques in "hands-on" applications
- ◆ Differentiate the information you receive from your higher self from that which comes from the ego or imagination
- ◆ Use your intuition for problem solving, healing, and to uncover your soul patterns, talents, and life purpose

◆ Explore the importance of signs, symbols, and synchronicities as messages from the Higher Self and from our guides or departed loved ones

◆ Understand and trust the nature and wisdom of your soul and tap into the abundance of the Universe to create and live the life you desire

★ And more! Ultimately, any genuine form of psychic training is simply reclaiming what is already yours. With warmth, humor, and down-to-earth guidance, our intuitive trainers and experienced teachers will help you energize and embrace your Divine gifts.
