Dear Prayer Healing Friends,

We are currently exploring a series of readings that define psychic phenomena. Students of the readings may wish to research scores of dream readings obtained by Morton Blumenthal [900], in which he was advised to "write about the borderland," (900-8) as "an expansion of consciousness." (900-26)

Morton was told to "study for knowledge," (900-8) and that he would "gain knowledge." (900-64) One dream advised "study revelations; horse and rider," (900-68), "he that would represent the Master." (900-74)

When Morton asked, "How may this body interpret such impressions?" he was told, "These will come in different form[s]." (900-18) "All of these phases [are] included in the different visions or correlations between the subconscious and the conscious forces of the entity, and the body then only becomes conscious in part of such, yet all so connect one with the other . . ." (900-44)

PSYCHIC PHENOMENA THROUGH THE SUBLIMINAL:

Part 2, 3744 Series, The Forces, (continued)

Commentary by Gladys Davis Turner with Judith Stevens

"The psychic work of Edgar Cayce, during the last twenty-odd years, [remember, this was in 1923] has called forth such favorable comment as to merit the presentation of these helpful truths, given while in the *superconscious* state. The logic of the answers reflects an intelligence that will challenge the minds of our great scholars. Such subjects as **EVOLUTION**, with reference to the human family, **ASTROLOGY**, the effect of the planets on your life and mine, and that master study of all, the development of the human mind and *soul*, **REINCARNATION**.

"The puzzles of time immemorial are [here], answered in such a way as to make thinking people realize that Shakespeare was right when he [wrote]:

"There is a destiny which shapes our ends, Rough hew them how we will."

"[Our] purpose is not to establish a new faith or sect, but rather to give the greater increase in knowledge of the *soul* forces for the best development of the human family. We may agree or disagree on such matters as **Evolution** and man's development; **Psychic Phenomena**—Is it real or imaginary? **Astrology**—the planet's effect on our destiny; **Reincarnation**—myth or fact? **Thought Transference**—its possibilities; and **Relativity of Force** and its influence in life.

"The fact remains that the human mind is the active principle that governs [us], for through the mind our thoughts

The Edgar Cayce readings emphasize the importance that those who are seeking help and healing through prayer actively participate in the prayer effort—praying for themselves and others on the list. This creates a cooperative, unified prayer effort. In the giving comes receiving.

AS HELP IS RECEIVED, REMEMBER TO THANK GOD, THE GIVER OF ALL GOOD AND PERFECT GIFTS.

evolve to deeds in action, and are the elements of force that influence our destiny in conjunction with our will. [Where] we are bound shall only be determined by our thoughts, for thoughts are deeds. (254-12, Par.2)

“And while their currents run from mind to mind, the goodly work is done. Then give more thoughts, for they are forces strong that lead [us] on our way—some right and some quite wrong.” (3744-2)

(Gladys Davis’ notes: See Reports of Reading 2265-1, letter of 12/18/23 in submitting a paragraph, via Mr. [953] M.B. Wyrick, for possible inclusion in above background material. For purposes of continuity, readings 3744-2 through 3744-5 are paragraphed sequentially even though the readings were given on four separate dates. For example, 3744-3 continues with Par. 11-A where 3744-2 ended. Mamie Rosenberg was stenographer for the first two readings and Gladys Davis was

steno for the last two. The readings were obtained 10/8/23, 3:00 p.m.; 10/9/23, 11:00 a.m.; 11/24/23, 3:30 p.m.; and 2-14-24, 3:00 p.m. , at the Phillips Hotel, Dayton, Ohio. See [Work Reading] 254-4 naming this book of readings PSYCHIC PHENOMENA THROUGH THE SUBLIMINAL. In the [254] series of readings on “the work” and in Mr. [900] [Morton Blumenthal’s] readings further questioning took place expanding on the answers in the [3744] series.)

NOTE: The actual combined 3744 readings will begin next month in Part 3 continuation. The request for this information was made by five men: Arthur Lammers [5717], M.B. Wyrick [953], Edgar Cayce, [294], George Klingensmith [4121], and Linden Shroyer [5433].
