Angel Communication Workshop: How to Talk With Your Angels

With Psychic Kim O’Neill

In this intensive one-day event, Kim will share what she has learned as a professional channel and psychic with more than 28 years of experience conducting private sessions and workshops across the globe. You’ll build a more tangible relationship with your angels and develop greater confidence in your ability to hear them. Be prepared to make this one of the most productive days you’ve ever had! Kim will discuss lots of fascinating theory, you’ll journey through enjoyable practice exercises, and she’ll reveal true life stories of angelic experiences and interventions that will strengthen your awareness of how angels and other spiritual beings communicate.

This intensive, experiential workshop will explore:

- The four sources of intuitive information
- How and why angels communicate with human beings and why your guardian angels are chosen for you
- The different types of information angels provide
- The many forms of angel communication including touch, smell, sound, dreams, and telepathy
- The major differences between communicating with angels and receiving messages from departed loved ones
- How your angels can help you accelerate your spiritual growth
- Why your angels are the real “secret” to manifesting
- Differentiating between your internal monologue and communication from your angels
- Practice exercises that have been created to allow each individual, regardless of channeling experience, to take part in a comfortable, supportive atmosphere

Whether you’re a novice or an accomplished channel, this fast-paced, fun, and insightful hands-on program was created to enhance your sensitivity to receiving direct communication from your guardian angels, and help you develop greater faith in your ability to discern what they are trying to convey.

Kim will also demonstrate channeling by conducting mini-readings for random audience members.

(Q) Do I have a guide, or guides, in the spirit world or plane?
(A) There are ever, for every soul, those that may be termed the guides or guardian angels that stand before the throne of grace and mercy. Edgar Cayce reading 405-1
