Edgar Cayce Reading 3352-1

Become a Life Coach and Help Change Lives for the Better!

Edgar Cayce declared that full health and vitality are not merely the absence of disease, but the presence of meaning and purpose in one’s life activities. The A.R.E. has created a Life Coaching Certification Program based on the holistic views of Edgar Cayce, designed to help bring out these qualities in spiritual seekers of all types. In this weeklong “training the trainer” certification program focused on body, mind, and spirit, you will learn how to guide your clients into physical, mental, and spiritual wellness and help them stay motivated on their spiritual and professional path.

As a transpersonal Life Coach, you will help people:
• Understand the meaning and purpose of their lives
• Set goals and develop a plan for making them a reality
• Discover their true potential and lead a more fulfilling and successful life
• Change their thought patterns and discover solutions to life’s challenges

Using tools found within the Edgar Cayce readings and other sources, you will learn to assist clients using tools such as meditation, ideals, dream work, and hypnosis, combined with positive psychology, lifestyle changes, and working with attitudes and emotions. You will help them open up to new infinite possibilities, all while helping make the world a better place!

Peter Woodbury, MSW is a practicing psychotherapist, hypnotherapist, regressionist, and life coach. He is also a former professor of counseling at Boston University, the program founder and instructor for A.R.E.’s Past Life Regression Hypnotherapy Certification, and professor of Integrated Imagery and Regression Hypnosis at Atlantic University.
