

Encounters with the Ancient Ones: Lost Technologies, Missing Connections and New Discoveries Revealed

Our Annual Ancient Mysteries Conference – October 5-8, 2017

COME UNCOVER THE MYSTERIES and wisdom of our earliest cultures, see the latest discoveries from the field, explore suppressed histories of civilization's origins, and examine the apparent influence of ancient aliens in our creation and destiny.

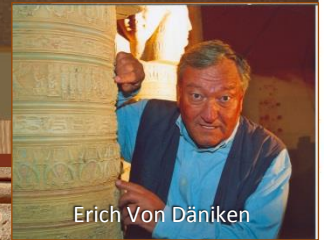

Explore mysterious Atlantis, mystical Egypt, ancient America, prehistoric Britain and Avalon, and even the Essenes in the Holy lands of the Bible.

Why? *Because your soul was there!* Latent within you are all the memories and skills your soul possesses from those ancient times—lost knowledge waiting to be found. This conference stimulates your deeper mind to recall all you have known and to awaken it to this incarnation.

Join pioneering "Ancient Aliens" theorist **Erich Von Däniken**, explorers **Andrew Collins** and **James Vieira**, investigative cosmologist **Laird Scranton**, theorist **Maureen Clemmons PhD** Cayce expert **John Van Auken**, and more as you take a trip across space and time to discover the real truth behind ancient legends, cross-cultural myths, esoteric secrets, and archeological obscurities.

Additional speakers to be announced; check website for updates.
